## TOP TIPS FOR BRINGING YOUR FAMILY TO G LIVE!

G Live is pleased to welcome little ones and their families to see our shows. Here are some hints and tips to help you feel right at home...

### **Finding your way to us**

G Live is a very accessible building with lots of room for pushchairs. We have a car park right outside the venue (pay and display) and are very close to London Road (Guildford) Rail Station. Full information is included below.

### **Inside G Live**

We have a relaxing Café-Bar which is open 10am – 4pm Monday to Saturday, and from 2 hours before a performance. There is a soft play area for children and sofas where you can relax with a coffee and a delicious cake, whilst your child can enjoy a kid's lunchbox.

### **In preparation for the performance**

- Do tell your child what the performance is about and invite them to enjoy the whole adventure by finding out where you need to go together, and getting them involved by holding their ticket to give to the usher.
- Bring a group of friends with you and take advantage of group booking offers as well as sharing the fun!
- There are ample toilets in the building and baby changing facilities are available – ask a member of staff and they will be happy to direct you to these.

### **During the performance**

At G Live we understand that children can get excited, so our children's performances offer moments where they can make lots of noise(!), as well as quiet time for them to listen.

If you need to leave the space with your child during a performance ushers are on hand to support you getting in and out of the room, and there are plenty of quiet corners outside the auditorium if your child needs a minute before re-entering to watch the grand finale.

### **After the performance**

We often have moments for children to meet the performers, so look out for post-performance activities when you book.

If you have any feedback we would love to hear from you – contact Caz Vale, Creative Learning Manager [cvale@GLive.co.uk](mailto:cvale@GLive.co.uk) to share your thoughts.
